21. Important observation / suggestions to improve the overall teaching – learning experience.

- a. Virtual Classrooms and Online Resources: Utilize virtual classroom platforms and online resources to supplement traditional teaching methods. Virtual discussions, online lectures, and digital archives of Sanskrit texts can offer students additional materials and opportunities for collaborative learning, making it easier for them to engage with the language outside of the physical classroom.
- b. Career opportunities of the degrees must be clarified properly to students. It helps their confidence ,and improves learning.

- c. Use better graphics and visual media to engage students well

**Action Taken Report**

- 1) Remedial classes along with Proper counseling by the faculty Advisors help in improving the situation.
- 2) More career- oriented counseling sessions will be implemented.
- 3) Training sessions for using virtual classrooms will be provided to students.
