

Government Sanskrit College Tripunithura

Statement of Program outcomes

Government Sanskrit College, Tripunithura have Five UG Programs and four PG Programs in Sanskrit special subjects. Though the syllabus of affiliating university is not outcome based, the college put forward the following mission to complete its vision of evolving and energizing Sanskrit with a view to create a refined, scholarly and edified student community. Through the syllabus of Sanskrit programs, we try to impart the core values of Sanskrit literature and philosophy to the learners. For this we adopt the classical texts of Sanskrit literature, traditional Sastra and philosophical texts.
