Feedback from Stakeholders and Action Taken Report 20-21

GSC Tripunithura conducted online survey among students for the year 20-21. There was the provision for all the stakeholders to give their feedback through website. The questions were prepared according to the NAAC guidelines. Students were mostly satisfied with the efforts taken by the institution to keep the academic atmosphere among them. The report was placed before the Principal and the main suggestions by the students got more attention and the decision was taken to implement a common learning platform using the College Website. Online communicative Sanskrit classes will be extended to students.
